Suggested Hotels - Belo Horizonte

To facilitate the organization of your trip and stay, we have provided below a list of hotels located near the venue of the French-Brazilian Symposium on Hearing and Balance.

Please note that the criterion used for this suggestion was exclusively **geographical proximity** to the event. The organizing committee has no institutional, commercial, or contractual ties with the hotels indicated, and there are no agreements, partnerships, or special conditions previously established.

The choice, reservation, and negotiation of prices must be carried out directly between the participant and the hotel of their choice.

We recommend that reservations be made in advance.

Thank you for your understanding and we wish you an excellent congress!
